March 2021 Newsletter

We are continually moved as we watch the Lord heal and restore in amazing ways! We are building community through our prayer appointments and Zoom classes. This year we have already had 80 prayer appointments. You may ask, "What happens in a prayer appointment?" It is safe and confidential place where burdens from the heart are shared with two prayer ministers and together we go to our Heavenly Father for a healing exchange of grace, truth, compassion, His promises and more.

We give thanks and praise to the Lord for the healing and restoration He provides for our souls. He desires to make us whole and bring us closer to Him!!

Our communities are also growing through our ongoing book studies. We have had 45 people attend classes so far this year. Our current classes include: Soul Care, Understanding the Wounded Heart and Journey Groups. Check out our website for future studies to join!

Here's a testimony from Catherine about how God worked in her heart!

My time at The Inheritance House began over a year ago. Deep unresolved grief and loss had darkened my heart and mind, ultimately affecting my faith in God. Though I distrusted God, I also knew He was my only source of help and healing. I cannot even remember how I heard about your prayer ministry, let's chalk it up to Divine grace, but I did hear and made an appointment. The women who have prayed with and for me, have been so patient, loving and encouraging as they lead me through the questions and darkness in my own soul.

Because of the griefs, loss, and doubts, I had always seen myself as "weak". They continually asked, "What does Jesus say?" As the light began to shine again, they asked me to do a "simple" exercise. They were led to encourage me to draw a heart and inside write everything that was in my heart. This basic assignment turned into a two week revelation of what is in my heart, how God views the heart and ultimately how He has seen and knows and loves and accepts me deeply - even in my weakness. Last week as we were praying, with this heart exercise in mind, the LORD gave me 2 Corinthians 12:9. "My grace is sufficient for you, for my power is made perfect in weakness. Therefore, I will boast all the more gladly of my weaknesses, so that the power of Christ may rest upon me."

As I pictured myself giving God all the grief, loss, pain, sin, and doubt, etc., they prayed that God would give me something "in my hand" that would remind me of God and His promise to me. The very day they prayed, I returned home to find an email from my favorite jewelry company that matches a scripture verse with each piece of jewelry. Their new piece was a ring given the name "WEAKNESS" and the scripture attached to the ring was 2 Corinthians 12:9! Needless to say, I ordered the ring and will wear it "in my hand" as a constant reminder of what God has done through His Holy Spirit, His word, and through prayer ministry from The Inheritance House.

We are grateful for you!
